DESCRIPTION

These men's shorts feature a straight cut and knee-length suited to sports and everyday wear. Made from polyester and elastane (with heather variants including viscose), they deliver a soft, stretchy feel while a mid-to-heavy fabric weight gives a structured drape. The elasticated waistband with bicolour drawcord and plastic tips provides secure adjustment and comfort.

Designed for practicality, the shorts have two jersey-lined front pockets and a zipped back pocket with a contrasting thermosealed finish; a contrasting elastic detail finishes the pocket openings. Double-needle hems add durability, and a tear-away brand label simplifies re-labelling. Available in several colours (e.g. Ash Heather, Black, Sporty Khaki) and sizes XS to 3XL.

These personalised shorts can be customised from one piece and are suitable for companies, sports clubs, associations and private customers for events or teamwear. We offer embroidery, DTF printing, flex, screen printing, transfer prints (single and multicolour), embroidered badges, pad printing and digital printing on items. Our studio can vectorise or retouch your logo.
