DESCRIPTION

Children's sports shorts with a straight cut and knee-length ideal for training and match use. Made from lightweight 100% polyester, the fabric helps wick moisture away and stands up to regular wear. An elasticated waistband with drawcord provides secure fit across sizes 4/6 to 12/14, while coverstitch details and a double-needle hem maintain the garment's shape through washes.

The shorts feature reinforced side panels with visible stitching to reduce friction and improve durability; there is no fastening, making them easy for children to put on and take off. Available in several colours such as Black, Sporty Royal Blue and White, and offered in five children's sizes.

These personalised shorts can be customised from a single piece and are suitable for clubs, schools, associations and private customers. Customisation techniques available include embroidery, DTF printing, flex, screen printing and transfer printing, as well as embroidered badges. Our design studio can retouch or vectorise your logo to ensure a crisp, long-lasting print.
