DESCRIPTION

Men's 2-in-1 shorts designed for sport: a straight fit with an integrated close-fitting undershort that provides support and freedom of movement. Made from recycled polyester with elastane, the fabric is lightweight, quick-drying and treated to reduce static for comfort during activity. The elastic waistband features a flat drawcord that can be positioned inside or outside via double eyelets. Available in several colours (for example Black, Navy, Sporty Khaki) and sizes XS to 3XL.

The shorts include two front pockets — one with a small jersey pocket — side vents for ease of movement, two mesh bands at the sides and double-needle hem finishing. Brand labels are removed to facilitate decoration; only a size chip is present.

These personalised shorts can be ordered from one piece and decorated with embroidery, embroidered patches, DTF printing, flex, screen printing (single or multicolour), transfers and pad printing. Perfect for companies, sports clubs, associations, schools and private customers. Graphic studio available to retouch or vectorise your logo; free quote within 24 hours on weekdays, standard production 10 working days. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
