DESCRIPTION

This unisex training trouser is made from 96% recycled polyester and 4% elastane with a straight cut, designed for training and everyday wear. Available in several colours including Black and Sporty Marine and sizes XS to 4XL, the technical fabric with a 235 g/m² weight offers reliable structure and easy care for regular use.

Functional details include two zipped side pockets, an elasticated waistband with an internal round drawcord and rubber tip, zipped ankle openings with a double-stitched hem, and textured side inserts on the lower leg to aid movement and style. The detachable brand label simplifies relabelling or branding operations.

This personalised trousers can be customised from one piece, suitable for companies, sports clubs, associations and private customers. Personalisation techniques offered are embroidery, DTF printing, flex, screen printing and transfer, plus embroidered badges; our design studio can retouch or vectorise your logo before production.
