DESCRIPTION

A unisex outdoor trouser available in several colourways (e.g. Sand/Black, Sporty Khaki/Black) and sizes from 36 FR to 54 FR. The fit balances comfort and freedom of movement thanks to stretch fabric (91% recycled polyester, 9% elastane) and reinforced panels at the seat and knees. The semi-elasticated waist features a removable webbing belt with clip; fastening is by snap and zip. Practical pockets include front pockets, multifunctional zipped side pockets and a discreet zipped back pocket on the right.

Triple stitching through the crotch and front and back gussets increase durability under strain. The hem is adjustable with an elastic cord and stopper; the label is a tear-away for comfort. Lightweight, breathable and treated for durable water repellence, this trouser is suited to outdoor activities and field work.

These personalised trousers can be customised from one piece using embroidery, DTF printing, flex, screen printing and transfer. Recommended for companies, sports clubs, associations, schools and individuals seeking a technical, hard-wearing outdoor trouser.
