DESCRIPTION

This men's basketball short is made from breathable birdseye polyester with a micro-aerated structure that promotes moisture wicking and light comfort. It features an elasticated waistband with a flat drawcord for an adjustable fit, a straight cut falling above the knee, and a tone-on-tone hem band. Available in several colours (for example Navy, Sporty Red, White) and sizes S to 4XL, it is easy to care for and holds its shape during regular use.

Practical details include open side slits for greater freedom of movement during sprints and direction changes, and a detachable brand label to avoid irritation. The neat seams and uncomplicated finish make it well suited to training sessions and match play.
