DESCRIPTION

Children's basketball shorts designed for training and match use, with a unisex cut available in sizes from 4/6 years to 12/14 years. Constructed from breathable birdseye polyester (180 g/m²) that promotes airflow and lightweight comfort, they feature an elasticated waistband with a flat drawcord for secure fit and a detachable brand label for easy branding.

The shorts include open side vents to maximise range of motion and a tone-on-tone hem band for durable leg finish. An antistatic treatment enhances comfort during activity. Offered in several colours, for example Navy, Sporty Royal Blue and Sporty Yellow, and across five youth sizes.

These personalised shorts can be customised from one piece and are ideal for sports clubs, schools, associations and private orders. Customisation techniques available: embroidery, DTF printing, flex, screen printing, and transfer, plus embroidered patches. Our studio can vectorise or retouch your logo before production.

KEY FEATURES

- Breathable birdseye micro-aerated fabric.
- Anti-static treatment.
- Side slits for added comfort.
