DESCRIPTION

Men’s swim shorts in microfiber with a peach-skin feel, designed for sport and beach use. They have a mid-thigh cut, elasticated waistband with drawcord and an internal mesh brief for added support and comfort. Available in several colours (e.g. Black, Navy, Red) and sizes XS to 3XL.

The shorts feature two side pockets and a patch pocket with flap and eyelet for small items. Contrast topstitching gives a clean finish and reinforces stress points. The lightweight, durable fabric is practical for regular use and easy to care for following the manufacturer's instructions.

These personalised swim shorts can be customised from one piece using embroidery, DTF printing, flex, screen printing and transfer. Suitable for companies, sports clubs, associations, events and private customers. Our design studio can retouch or vectorise your logo before production.
