DESCRIPTION

This unisex rugby short is designed for high-intensity sport: straight cut, above-knee length and made from 100% polyester serge for durability and freedom of movement. Comfortable for both men and women, it is easy to care for following standard polyester washing instructions.

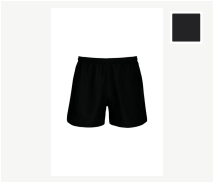

The waistband is elastic with an integrated drawcord to ensure a secure fit during activity. Reinforced seams on high-stress areas improve longevity, making it suitable for training and match use. Available in several colours such as Black, Dark Green and Dark Royal Blue, sizes range from XS to 4XL.

These personalised shorts can be customised from one piece using embroidery, DTF printing, flex, screen printing, transfer and embroidered badges. Well suited to sports clubs, companies, associations, schools and private customers seeking tailored teamwear.
