## DESCRIPTION

This childrens' rugby short features a straight cut and sits above the knee, allowing freedom of movement during play. Made from polyester serge, it delivers good durability and benefits from reinforced seams for increased strength. The elasticated waistband ensures a secure, comfortable fit while the internal drawcord allows size adjustment. Available in several colours, for example Black, Sporty Royal Blue or White, and in sizes 4/6 to 12/14 years.

The design focuses on practical, hard-wearing details: no visible pockets, clean hems and reinforced stitching to withstand regular sporting use. Polyester also makes the short easy to care for and quick to dry, convenient for clubs and schools with frequent laundering.

This personalised rugby short can be personalised from one piece. We offer embroidery, DTF printing, flex, screen printing and transfer techniques as well as embroidered badges to achieve the desired finish. Suitable for sports clubs, schools, associations, events and private customers — our graphics studio can vectorise or retouch your logo.
