DESCRIPTION

Unisex and designed for rugby, this personalised short combines support with freedom of movement. Cut above the knee, it is made from durable polyester with a slight sheen visible in the photo. The elasticated waistband with drawcord provides a secure fit, aided by an anti-slip silicone strip. Stretch panels at the lower thigh and crotch improve comfort during movement, and double-stitched seams reinforce durability.

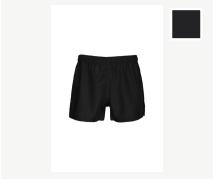

Intended for training and match use, the short has a straight cut with a simple hem and robust finishes suited to field demands. It is available in several colours (for example Black, Dark Royal Blue, Sporty Red) and sizes XS to 4XL. Easy to care for, the fabric dries quickly so it can be reused without delay.

We personalise this short using embroidery, DTF printing, flex, screen printing or transfer printing; embroidered badges are also possible. Recommended for sports clubs, companies, associations and private individuals — personalisation is available from one piece and our design studio can vectorise or retouch your logo. personalised short
