## DESCRIPTION

Men's Bermuda/Short in stretch polyester (96% polyester, 4% elastane), designed for sporty and casual wear. The fabric is soft and water-repellent for improved comfort and easy care; the fit is tailored and sizes range from 36 FR to 54 FR. The length sits above the knee, providing a neat look suitable for active use or relaxed outfits.

The short features a waistband with belt loops, two deep side pockets and two welt back pockets with flaps for secure storage. Construction emphasises freedom of movement thanks to the elastane, and finishes are clean; available in several colours including Black, Dark Navy and Light Sand and offered in 10 sizes.

This personalised Bermuda/Short can be customised from a single piece on a wide range of textile. Personalisation options include embroidery, DTF printing, flex, screen printing, transfer prints (single-colour and multicolour) and embroidered badges. Suitable for companies, sports clubs, associations, events and private customers; our graphic studio can retouch or vectorise your logo.
