DESCRIPTION

This women's Bermuda short in stretch polyester is made for active, everyday wear: an elegant fitted cut, a flexible water-repellent fabric for comfortable movement. It comes in several colours (including Black, Dark Navy, Light Sand) and sizes 34 FR to 46 FR. The straight silhouette keeps the look understated and practical, and the fabric is easy to care for following standard care instructions for synthetic garments.

The short features a waistband with belt loops for a slim belt, a discreet front fastening, two deep side pockets and two piped back pockets with flaps. The knee-length hem is neatly finished, offering a structured appearance while maintaining freedom of movement.

These personalised Bermuda shorts can be customised from one piece by embroidery, DTF printing, flex, screen printing or transfer depending on the desired finish. Suitable for companies, sports clubs, associations, schools and private customers; our artwork studio can retouch or vectorise your logo prior to production.
