DESCRIPTION

This men's bermuda/short in polyester is made for sport use: a straight cut falling to the knee, quick-drying fabric and a lightweight inner layer for comfort during activity. It is available in several colours, for example Black, Navy and Red, and sizes range from XS to 3XL. The polyester construction makes it easy to care for and suitable for frequent wear.

Designed with practical details, it features an elasticated waistband with drawcord for a secure fit, two side pockets and an integrated mesh liner for added comfort. The tone-on-tone side panel provides a neat finish and good freedom of movement.

This personalised bermuda/short can be ordered from one piece and customised using embroidery, DTF printing, flex, screen printing, transfer (1-colour and multicolour), embroidered patches, pad printing or digital printing on items via our artwork studio. Suitable for companies, sports clubs, associations, events and private customers.
