DESCRIPTION

Children's tennis skirt designed for ages 6/8 to 12/14, with a sporty cut. The main fabric is 100% polyester interlock, chosen for its durability and resistance to curling; the inner short is lined (86% polyester / 14% elastane) to provide stretch and comfort. An elastic waistband ensures secure fit during active play and the piece is easy to care for.

The built-in short includes two ball pockets, useful for training and matches. The skirt's short, free-moving silhouette allows unrestricted leg movement while remaining practical for regular club and school use; seams and finishes are kept functional rather than decorative.

This item can be personalised from one piece using embroidery (embroidery), DTF printing (DTF printing), flex (flex), screen printing (screen printing) or transfer (transfer), depending on the logo and effect required. Recommended for sports clubs, schools, associations and private customers seeking a personalised skirt for teams or events.
