DESCRIPTION

Men's swim shorts in polyester with a peach-skin feel, designed for regular use at the beach or pool. They have a short, above-the-knee cut, an elasticated waistband with a contrasting drawcord for secure fit and an integrated mesh brief for comfort and support. Available in several colours such as Aqua Blue, Sporty Navy and Black, and in sizes XS to 3XL.

The shorts feature a rear patch pocket closed with a hook-and-loop strip, useful for keeping small items secure. The simple finishes prioritise lightness and the quick-drying properties of polyester.

These personalised swim shorts can be customised from a single piece using embroidery, DTF printing, flex, screen printing, transfer printing or embroidered badges. Suitable for companies, sports clubs, associations, events and private customers who need branded swimwear.
