DESCRIPTION

Men's trousers with a tailored slim fit, built for comfort and freedom of movement. Made from a flexible polyester blend (96% polyester, 4% elastane), the fabric is soft and water-repellent, ensuring comfortable wear for everyday duties. The waistband includes belt loops and the straight leg offers a smart, professional silhouette suitable for work, light sporting activities or team uniforms. Available in multiple colours, such as Black, Dark Navy and sporty grey, and sizes from 36 FR to 54 FR.

The design includes two deep side pockets and two piped rear pockets with flaps, providing secure, discreet storage. The photo highlights a clean fall and streamlined cut with minimal bulk at the ankles, which maintains a neat appearance in use.

These personalised trousers are ideal for companies, sports clubs, associations and private clients. Customisation is available by embroidery, DTF printing, flex, screen printing, transfer (single-colour and multicolour) and embroidered badges. They can be ordered from one piece and our in-house studio will vectorise or retouch your logo for the best result.
