DESCRIPTION

Women's trousers with an elegant, tailored fit, designed for everyday professional or active use. The straight cut flatters the figure while allowing freedom of movement thanks to the polyester-elastane blend; the fabric is supple and water-repellent for comfortable wear and easy care. Available in several colours (e.g. Black, Dark Navy, White) and sizes 34 FR to 46 FR, these trousers can be personalised from one piece.

The design features a waistband with belt loops, two deep side pockets and two piped rear pockets with flaps for discreet storage. Neat stitching and finishes ensure the garment keeps its shape and withstands regular use.

These trousers can be personalised by embroidery, DTF printing, flex, screen printing or transfer depending on the desired look. Suitable for companies, sports clubs, associations, schools, youth movements and private customers.
