DESCRIPTION

This unisex jogging trouser is made from lightweight, soft cotton designed for sports and casual wear, offering comfort and freedom of movement. The straight, slightly tapered cut with elasticated ankles gives a clean fit at the lower leg without restricting mobility. Available in multiple colours (for example Black, Dark Grey, Light Royal Blue) and sizes XS to 4XL, it can be personalised from a single piece and suits both training sessions and everyday wear.

The elasticated waistband with an internal drawcord provides adjustable support; there are two side pockets and one rear pocket for light storage. The fabric shows a smooth texture that holds up well to regular washing, making it practical for frequent use.

Personalise these personalised trousers using embroidery, DTF printing, flex, screen printing, screen print transfers (1-colour and multicolour), embroidered badges, pad printing or digital printing on items. Recommended for companies, sports clubs, associations, schools, events and private customers; our design studio can retouch or vectorise your logo.
