## DESCRIPTION

Children's straight-cut jogging trousers designed for everyday comfort. Made from soft, lightweight cotton (Oxford Grey: 90% cotton / 10% viscose) with an elasticated waistband, internal drawcord and an interchangeable external cord. Elasticated ankle cuffs, two side pockets and one back pocket provide practical storage without weighing the garment down. Available in sizes 6/8 to 12/14 and multiple colour options.

The visible details include clean ankle finishes and a reinforced waist for reliable hold. The external drawcord allows easy adjustment and can be swapped for alternative coloured cords sold separately. Care is that of regular cotton garments—please follow the garment's washing instructions.

This item can be supplied as a personalised jogging trousers from a single piece. Customisation techniques offered include embroidery, DTF printing, flex, screen printing, transfer (single-colour and multicolour), embroidered badges, pad printing and digital printing on textiles.
