DESCRIPTION

Fitted women's legging in jersey, designed for comfort and ease of movement. It has a close-fitting cut with ankle length and comes in several colours, including Black, Grey Heather and Navy, in sizes XS to XL. The cotton-elastane blend gives good stretch and a soft feel, while the elasticated waistband provides a comfortable hold without digging in. The jersey fabric is easy to care for.

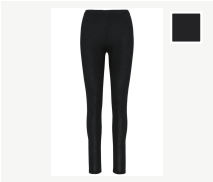

The photo shows a smooth finish with minimal visible seams or panels, making it suitable for sports use or everyday wear. The flat, discreet waistband keeps the silhouette clean beneath longer tops or tunics.

This personalised legging can be customised from one piece using borduren (embroidery), DTF printing, flex, screen printing (zeefdruk) or transfers, depending on the desired result. Ideal for companies, sports clubs, associations, events and private customers — our studio can retouch or vectorise your logo.
