## DESCRIPTION

Unisex parka-style jacket with a long cut, designed for sports and outdoor use. The outer shell is polyester with a PVC coating for water repellence, with warmer inner padding and a lightweight lining; horizontal quilting provides structure and insulation. It features a lined hood, stand-up collar and ribbed sleeve hems for comfort and protection. Available in several colours including Black, Sporty Navy and Sporty Red, in sizes XS to 4XL.

The jacket offers two zippered side pockets and an internal pocket for personal items. A zip at chest level and an additional zip at the hem give easy access for decoration. Reflective piping on the shoulders and sides enhances visibility in low light conditions.

This personalised jacket can be customised from a single piece and is suitable for companies, clubs, associations and private customers. Decoration techniques available: Transfert Sérigraphique, DTF printing, Flex, Borduren (embroidery), Transfert MSO. Our design studio can vectorise or retouch your logo; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
