DESCRIPTION

This children’s hooded bodywarmer has a sleeveless cut designed for layering and freedom of movement. Made from polyamide with a polyester inner lining, it is warm yet ultralight and compressible into its storage pouch for easy transport. The quilted construction provides insulation without bulk. It is available in several colours, for example Black, Navy and Marl Dark Grey, and in sizes from 6/8 to 12/14 years.

The piece features a front zip closure, two zipped front pockets (one with a fluorescent phone pocket) and an earphone exit. The hood is contrast-lined and the garment edges are finished with elastic binding for a neat fit. The low fabric weight gives a very lightweight feel in wear.

This personalised bodywarmer can be ordered from one piece and customised by embroidery, DTF printing, flex, screen printing or transfer and with embroidered badges. Ideal for sports clubs, associations, schools and private clients, we offer an in-house design studio to vectorise or retouch your logo.
