DESCRIPTION

Unisex jacket designed for club and outdoor use, made in polyester with wadding and a taffeta lining for added comfort. It has a straight cut, a quilted 3-part hood with stoppers and a full-length zip to protect against wind and light rain. The fabric features a soft peach-touch finish and a water-repellent treatment for easy care and moisture management.

Functional details include two concealed zippered side pockets, an internal patch pocket and a name label inside. Semi-elastic cuffs reduce drafts. A contrasting chest panel and both a chest zip and a bottom zip provide easy access for on-garment customisation without fully opening the jacket. Available in several colours, such as Black and White, and in sizes XS to 4XL.

This personalised jacket can be customised from a single item using techniques like screen printing transfers, MSO transfer, DTF printing, flex and embroidery. Suitable for companies, sports clubs, associations, events and private customers looking for a functional branded outer layer.
