DESCRIPTION

Unisex lightweight waterproof jacket designed for sport and outdoor activities. It has a straight cut with an integrated hood and a stand-up collar, made from 100% polyester with a PU coating for reliable rain protection. The jacket features elasticated cuffs and a contrasting front zip for easy wear. Available in several colours (for example Black, Dark Royal Blue, Sporty Red) and sizes XS to 4XL.

Shoulder seams are heat-sealed to ensure watertight performance and the hood is adjustable and stows into the collar with a hook-and-loop fastening. Two zipped side pockets and two internal pockets provide secure storage, while a detachable brand label allows a clean branded finish. The matt fabric appearance makes maintenance straightforward and aids water beading.

This personalised jacket can be customised from one piece and suits companies, sports clubs, associations, events and private customers. Available marking techniques: screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Our design studio can retouch or vectorise your logo prior to production.
