DESCRIPTION

Children's rain jacket with a straight cut, ideal for school trips and outdoor activities. Made from 100% polyester with a PU coating, it provides a 1500 mm waterproof rating and thermosealed seams at the shoulders and hood to reduce water ingress. The hood tucks into the collar and the front features a contrasting zip. Elasticated cuffs and two zipped side pockets add comfort and functionality. Available in several colours and sizes from 4/6 to 12/14 years.

Practical details that matter: hood stored in the collar with hook-and-loop tab, two inner pockets for small items and a removable brand label. The lightweight fabric packs down easily and can be machine washed following the manufacturer’s care instructions.

This jacket can be personalised from 1 piece for companies, sports clubs, associations, events or private customers. Possible techniques: screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Our studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
