DESCRIPTION

Unisex outdoor zipped jacket, available in sizes XS to 4XL, designed for active outdoor use. It features a comfortable straight cut in a stretch fabric (91% polyester, 9% elastane) with contrast ripstop chest panels. The front zip includes a chin guard, and a three-panel hood with drawcord provides adjustable coverage. Invisible zip side pockets secure belongings, and thumb openings at the sleeve ends help keep sleeves in place during movement. The recycled-feel fabric is treated for water repellency and antistatic performance for practical outdoor protection.

Practical details include a right-side chest zip pocket in contrasting fabric and clean flat seams for improved comfort when worn for long periods. The material balances insulation and breathability to retain warmth without excess bulk.

This personalised jacket can be customised from 1 piece using Transfer Screen printing, Transfer MSO, DTF printing, Flex (flocking) or Embroidery. Ideal for companies, sports clubs, associations, events and private customers looking for a technical, custom jacket.

KEY FEATURES
