DESCRIPTION

Men's hooded jacket with a straight cut designed for sport and casual wear. Made from brushed interior polyester for added comfort and durability, it features a jersey cotton-lined hood with flat drawcord, a full-length front zip and cover-stitched paneling. Offered in several colours — including Dark Grey Melange, Navy Melange and Red Melange — and available from size S to 4XL.

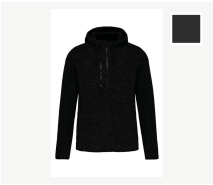

The jacket includes three zip pockets for everyday practicality: two front side pockets and a vertical chest pocket, all with contrasting zips visible on the product. Elasticated contrast binding at the sleeve cuffs and hem ensures a secure fit. The details and construction make it suitable for regular use and routine washing.

This personalised jacket can be customised from one piece using embroidery, DTF printing, flex, screen printing transfer or MSO transfer depending on the desired finish. Recommended for companies, sports clubs, associations, events and private clients — our design studio can vectorise or retouch your logo prior to production.
