DESCRIPTION

The PROACT® PA373 polyester sweatshirt for men is made for sports and everyday wear. It has a straight cut with a round neck and ribbed trims at the collar, cuffs and hem, crafted from poly tricot 100% polyester (210 g/m²) for durability and moisture management. A wide contrasting chest panel provides a clear area for decoration and helps define the garment's look. Care is straightforward with machine wash suitable for synthetic fabrics.

The garment features a neck tape for comfort and elasticated rib finishes that preserve the fit after repeated washing. Offered in several colours, for example Sporty Navy/White and Sporty Royal Blue/White, and available in sizes S to 4XL, it fits teams and clubs seeking a robust, comfortable sweatshirt.

This personalised sweatshirt can be decorated from one piece using screen-print transfer, MSO transfer, DTF printing, flex (heat transfer) or embroidery. Recommended for companies, sports clubs, associations, events and private customers. Our graphic studio can retouch or vectorise your logo before production.
