DESCRIPTION

Men’s high-collar jacket with a straight cut designed for sports and everyday comfort. The blend of polyester, viscose and elastane gives a stretchy, comfortable feel; the full zip and stand collar protect against wind while raglan sleeves ensure freedom of movement. Available in several colourways and sizes XS to 3XL, it pairs well with the matching tracksuit trousers for a coordinated look.

The jacket features two front zip pockets with thermosealed finishes, elasticated cuffs and hem (with contrasting details on certain colours) and discreet seams for a neat appearance. The visible zips simplify daily use and the mixed fibres make for easy care in everyday wear.

Customisation is possible from a single item for businesses, sports clubs, associations and individuals. Techniques available: screen printing (transfer), transfer, DTF printing, flex and embroidery. Our design studio can vectorise or retouch your logo. A practical personalised jacket for teamwear, events and corporate clothing.
