DESCRIPTION

Women's high-collar jacket with a tailored fit, designed for everyday comfort and active use. The stretch fabric blends polyester, viscose and elastane to provide a flexible, comfortable feel. A central zip and the high collar protect against wind, while the women’s cut and shaped sleeves deliver a clean silhouette. Available in several colours (e.g. Deep Grey Heather, French Navy Heather, Sporty Khaki) and in sizes XS to XXL.

Practical details include two front zip pockets with thermosealed finishes to protect the zips, and elasticated trims at the cuffs and hem for a secure fit. The visible seam lines and the fabric’s structure ensure good garment stability and straightforward care during regular use.

This personalised jacket can be customised from a single piece by embroidery, flex, DTF printing, screen print transfer or Transfert MSO, depending on the finish required. Suitable for companies, sports clubs, associations, schools and private customers — our graphic studio can vectorise your logo and we provide a free quote within 24 hours on weekdays.
