DESCRIPTION

This children's 1/4 zip training sweatshirt is tailored for young athletes: straight fit, raglan sleeves and a high zip collar for neck protection. Made from 100% polyester interlock (200 g/m²), it has a matt feel and is easy to care for. The slightly longer back and side vents provide extra freedom of movement, and a removable brand label makes personalisation simpler. It comes in several colours, for example Navy, Dark Green/Black or Sporty Red/Black, and in sizes 4/6 to 12/14 years.

Practical features include an inverted zip with chin guard for comfort, contrast chest and shoulder panels and textured side/back inserts that aid fit and ventilation. The hem and flatlock stitching deliver durability and a neat finish suited to regular training use.

This personalised sweatshirt can be marked using DTF printing, screen printing transfers, MSO transfer, flex (flocking) or embroidery. Recommended for sports clubs, schools, associations, events and private orders; it can be personalised from one piece on a large range of textile and our design studio can vectorise or retouch your logo.
