## DESCRIPTION

This children's hooded performance sweatshirt features a straight cut and stretch fabric for freedom of movement. Designed for ages 4/6 to 12/14, it has a jersey-lined hood, a central zip and two zippered front pockets with thermosealed finishes to keep belongings secure during activity. Elasticated cuffs and contrast trims ensure comfort and fit.

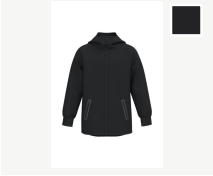

Details include raglan sleeves, a contrast zip and a hem with contrast binding that maintain the shape without restricting movement. The technical, durable feel makes it suitable for sports sessions and everyday school wear. It comes in several colours, for example Black and French Navy Heather, and pairs well with matching sport trousers.

This personalised sweatshirt can be customised from 1 piece on a wide range of textile. Available decoration techniques: screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Ideal for sports clubs, schools, associations, companies and private customers seeking a technical, brandable sweatshirt.
