DESCRIPTION

Unisex short-sleeve sports jersey in interlock knit, made from 100% polyester (140 g/m²) for a lightweight, durable feel during activity. It has a straight cut with a V-neck and neck tape; set-in sleeves allow good freedom of movement. Available in several colours (e.g. Black/White, Sporty Royal Blue/White, Sporty Red/White) and sizes S to 3XL.

The design features a contrasting chest panel and contrast trims at the collar and sleeve hems, giving teams a clear visual identity and added structure to the garment. Easy care: machine wash following synthetic fabric guidelines to maintain the knit and fit.

This personalised sports jersey can be customised from one piece for companies, sports clubs, associations, schools or individuals. Possible techniques: screen print transfer, MSO transfer, DTF printing, flex and embroidery. Our studio can retouch or vectorise your logo; marking quantities are itemised in the quote.
