DESCRIPTION

Children's sports jersey in polyester (interlock) designed for training and match use. It has a child fit with set-in sleeves and a V-neck finished with a neck tape for comfort. The fabric is lightweight and durable, suitable for active play. The jersey is offered in several colours, for example Sporty Royal Blue/White, Sporty Red/White and Sporty Navy/White.

The design features a contrasting chest panel and contrast trims at the collar and sleeve hems, practical details that help with team identification and give a tidy appearance in use. Polyester construction makes the garment easy to care for and keeps its shape after repeated wear.

This personalised sports jersey can be personalised from one piece and is ideal for clubs, schools, associations, corporate events and private customers. Customisation methods available: screen print transfer, MSO transfer, DTF printing, flex or embroidery. Our studio can vectorise and retouch your logo; collection from our Evere workshop or delivery to Belgium, France and Luxembourg is available.
