DESCRIPTION

Women's triblend crop top with a straight cut and crew neck, designed for sport and everyday wear. The jersey fabric (50% polyester, 25% cotton, 25% viscose) combines breathability and moisture absorption and features an anti-pilling treatment. The cropped length sits above the waist without being tight; a tone-on-tone neck tape and double-needle hems on sleeves and body provide neat, durable finishes. Available in several colours such as Black, Coral and Duck Blue Heather, in sizes XS to XXL.

Practical details include a tubular sleeve hem and the absence of a brand label—only a size tag—making the garment comfortable and easier to personalise. The cropped silhouette works well for gym sessions, fitness classes or layered outfits.

This personalised T-shirt can be ordered from one piece. Customisation techniques offered: screen-print transfer (Transfert Sérigraphique), MSO transfer, DTF printing, flex (heat transfer). Suitable for companies, sports clubs, associations, schools, events and private customers; our design studio can retouch or vectorise your logo for optimal printing.
