DESCRIPTION

Unisex short-sleeve rugby shirt with a straight cut, made from interlock 100% polyester for a lightweight, durable and breathable feel. The garment features a round ribbed 1x1 neckline and ribbed sleeve hems with contrast detail, an interlock neck tape and double-needle stitching on shoulders, armholes and hem for a professional finish. Detachable tear-away label allows clean customization. Available in several colours and sizes XS to 4XL.

Practically, the straight fit provides unrestricted movement for training and match use. Reinforced seams at key stress points reduce wear. Follow care instructions for technical fabrics to keep the interlock structure and performance intact.

Have this personalised TShirt produced from a single piece using Screen Printing Transfers, MSO Transfer, DTF printing or Flex (heat transfer vinyl). Suitable for companies, sports clubs, associations, events and private customers; our graphic studio can retouch or vectorise your logo.
