DESCRIPTION

Men's padel T-shirt in a polyester/elastane blend, offering a fitted cut with stretch for unrestricted movement. The design pairs a smooth main fabric with birdseye mesh contrast panels on raglan sleeves, sides and back to improve ventilation and quick-drying performance. Round neck with a tonal insert and jersey binding, double-needle hems at sleeves and body for a neat finish. Offered in several colours (eg Black, Sporty Navy / White, White / Fine Grey) and sizes S to 3XL.

Functional details include a tear-away brand label for easy customization, reinforced seams and a sporty fit suited to racket sports and training. The elastane content provides comfort and shape retention while the birdseye panels enhance breathability during high intensity play.

This personalised T-shirt can be customised from one piece using screen printing transfers, MSO transfer, DTF printing or flex (heat transfer). Recommended for companies, sports clubs, associations, schools, events and private customers; our design studio can vectorise or refine your logo before production.
