DESCRIPTION

Children's sports jersey in polyester with a straight cut and round neck, designed for ease of movement thanks to raglan sleeves and a lightweight micro interlock fabric that dries quickly. The front is sublimation-printed with a geometric gradient while the back, neck and sleeves are in solid fabric. The brand label is removable and the hem features a double-needle finish. Machine wash at 30°C.

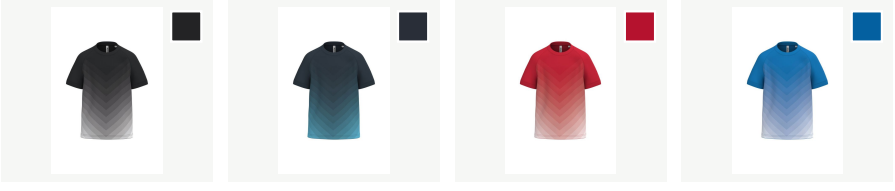

Breathable and comfortable, this jersey allows freedom of movement for training and matches. Practical details—such as solid back panels and a simple neckline—reduce chafing and simplify care; the antistatic treatment improves comfort during activity.

Personalised sports jersey available from one piece within a wide range of textile options. Customisation techniques include screen-print transfer, MSO transfer, DTF printing, flex and embroidery. Suited to clubs, schools, associations, companies and individuals who want child-sized teamwear. Offered in several colours including Black, Sporty Red and Sporty Royal Blue, sizes 4/6 to 12/14 years.
