DESCRIPTION

This children's basketball jersey features a sleeveless cut and V-neck for unrestricted movement. Made from 100% polyester birdseye with a micro-aerated structure (180 g/m²), the fabric breathes well, wicks moisture and benefits from an antistatic finish for added comfort. A double-needle hem and a detachable brand label simplify wear and care.

Contrast piping at the neck and armholes gives a dynamic look and helps maintain the shape of the neckline. Available in multiple colourways (for example Dark Green / White, Sporty Yellow / Black, Navy / White) and in sizes from 4/6 to 12/14 years, it is suitable for school teams and youth clubs.

Customisable from one piece, this personalised sports jersey accepts screen printing, transfer MSO, DTF printing, flex and embroidery. Recommended for companies, sports clubs, associations, events and individuals; our graphic studio can retouch or vectorise your logo for production.
