This unisex teamwear T-shirt is available from XS to 4XL and features a standard fit made from 60% cotton / 40% polyester with Vortex yarn for comfortable wear. It has a 1x1 rib crew neck, set-in sleeves and shoulder panels with contrasting stripes for a sporty look suited to clubs and associations. A tear-away label and double-needle finishes at the sleeves and hem provide a clean construction and reliable durability.

Practical details include a contrast internal neck tape and a build designed to withstand regular use. Offered in several colourways — for example Navy/White, Sporty Red/White or Black/Sporty Red — it adapts well to everyday wear and team identity applications.

This personalised T-shirt can be ordered from one piece and customised using screen printing transfers, MSO transfers, DTF printing and flex. Ideal for companies, sports clubs, associations, schools and individuals; our graphic studio can vectorise and retouch your logo for production.
