DESCRIPTION

Children's sports jersey with a standard cut, made from a 60% cotton / 40% polyester blend with Vortex yarn for comfortable wear. The crew neck is finished in 1x1 rib with elastane for shape retention; set-in sleeves and contrasting shoulder panels are visible on the sample. Double-needle hems and a contrasting inner neck tape with a tear-away label complete the build. Available in five colourways and sizes from 4/6 years to 12/14 years.

The two-tone design is well suited to team use and the construction copes with frequent wear thanks to reinforced seams and easy care for cotton/polyester garments. The straight child fit allows freedom of movement during play and training.

These personalised sports jersey can be personalised from 1 piece using Screen printing transfers, MSO transfer, DTF printing, Flex (flock) or Embroidery. Suitable for companies, sports clubs, associations, schools and private orders; our design studio can retouch or vectorise your logo for production.
