DESCRIPTION

This unisex sleeveless T-shirt is aimed at sports use while remaining suitable for casual and fashion wear. Made from combed cotton (180 g/m²) in soft jersey with anti-pilling finish, it features a straight cut for comfortable wear. The crew neck uses a 1x1 rib with a tone-on-tone neck tape; the wide arm openings have a raw-edge finish to maximise freedom of movement. There is no brand label at the neck, only a size tag to simplify customisation.

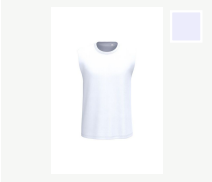

The T-shirt comes in several colours, for example White, Black and Navy, and in sizes XS to 3XL. The sleeveless style and roomy armholes make it practical for workouts, outdoor sessions or as a casual summer piece. Care is straightforward: washable at 40°C according to the fabric composition.

Customisation available from one item: techniques offered — personalised T-shirt via screen transfer, MSO transfer, DTF printing or flex.
