DESCRIPTION

Designed for men's sport use, this quarter-zip polo combines technical fabric with a clean silhouette. Made from piqué knit in 100% recycled polyester, it provides quick-drying performance and an antistatic treatment for comfortable wear during activity. Machine washable at 40°C, the polo is available in several colours including Black, Navy and White, and in sizes XS to 3XL. This is a personalised polo option you can order from one piece.

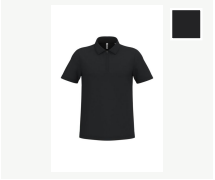

The polo features a neat collar with a fabric tape backing and a nylon zipper with an auto-lock slider for easy ventilation control. Side vents with ton-on-ton chevron tape improve mobility, while double-needle stitching on sleeves and hem reinforces durability. A removable brand label facilitates logo application without leaving the original label.

Customisation techniques offered include screen print transfers, MSO transfers, DTF printing, flex (heat transfer) and embroidery. Suitable for companies, sports clubs, associations, schools and individuals looking for a technical, brandable polo.
