DESCRIPTION

Tall, narrow pétanque bag in PVC tarpaulin designed to hold three boules. The waterproof fabric and flap with a buckle closure keep the contents protected; an adjustable shoulder strap allows shoulder or cross-body wear. One size suited to players wanting a compact, weather-resistant carry solution.

The photo shows reinforced edge stitching and a full-cover flap that secures the opening, offering practical protection against rain and dirt. The PVC finish is easy to clean—simply wipe with a damp cloth after outdoor use—making the bag low-maintenance for regular play.

Customised from a single unit, this bag is ideal for pétanque clubs, sports events, associations and corporate gifts. Personalisation techniques available: screen printed transfer, MSO transfer, DTF printing, flex heat transfer. Available in 1 colour (e.g. Black). Our design studio can vectorise your logo; free quote within 24 hours on weekdays.
