DESCRIPTION

Unisex pétanque bag made from 600D polyester, sized to hold three boules securely. Its compact silhouette and adjustable shoulder strap make it easy to carry to matches, while the foam-padded base protects boules from impacts. Polyester gives a lightweight, practical feel and straightforward care; spot-cleaning by hand is recommended to keep its shape.

The bag features a zippered main compartment for the boules and a large front zip pocket for accessories such as measuring tapes or cloths. A separate zip closes the padded lower compartment and piped edges reinforce the visible seams. The adjustable strap lets users adapt the carry to preference during play.

This personalised bag can be ordered from one piece for clubs, companies, associations or private customers. Available marking techniques: screen print transfer, MSO transfer, DTF printing and flex (flocking). Free quote within 24 hours on weekdays; collect at our Evere workshop or choose delivery in Belgium, France and Luxembourg. Our design studio can retouch or vectorise your logo before production.

KEY FEATURES
