Unisex pétanque carry bag made from 100% polyester, designed to hold up to 6 boules. It features a practical rectangular shape with two zippered compartments: a top section for accessories and a lower foam-padded compartment specifically sized for six boules, keeping them secure during transport.

The bag includes an adjustable shoulder strap and piping detailing that reinforce the edges. Double-zip closures provide easy access to both compartments. Its compact, stable construction makes it simple to store in a vehicle or club locker and keeps equipment organised.

The bag is available to personalise from one piece and is suitable for companies, sports clubs, associations, events and private customers.
