DESCRIPTION

Multisport backpack in 600D polyester designed for sporting and everyday use. One-size fit with two zipped compartments to separate kit and a generous front pocket for quick access. The shape features a curved front panel and a mesh side pocket suitable for a bottle; adjustable shoulder straps and a top carry handle complete the functional design. Polyester makes it easy to care for and suitable for team training and travel.

Practical details include a large front zip pocket, a roomy main compartment with zip closure and a mesh side pocket that allows ventilation. Seams are reinforced at load points and the straps provide comfortable carrying even when loaded. The backpack is available in several colourways, for example Black/White/Light Grey, Red/White/Light Grey and Royal Blue/White/Light Grey.

This personalised backpack can be customised from a single piece and is ideal for companies, sports clubs, associations, events and private customers. Marking options: Transfert Sérigraphique, Transfert MSO, DTF printing and flex. Our graphic studio can vectorise your logo and prepare mock-ups for approval.
