DESCRIPTION

Unisex multisport backpack made from durable polyester with a rigid base that creates a separate shoe compartment. Offered in one size, it combines sturdy construction with easy care thanks to the synthetic fabric. A large zippered main compartment provides roomy storage for kit or daily essentials, while remaining practical to carry.

The backpack features a large front zip pocket and two zipped side pockets for bottles and small items. The rigid base, closed with a separate zipper, keeps footwear and wet gear isolated from other contents. A top carry handle and adjustable shoulder straps make it easy to grab and wear; visible seams and finishes suggest a design focused on everyday functionality.

This personalised backpack can be customised from a single piece and suits companies, sports clubs, associations and events. Personalisation techniques available: screen printing transfer, MSO transfer, DTF printing and flex. Our graphic studio can vectorise or refine your logo; free quote within 24 h on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
