DESCRIPTION

Personalised golf towel in 100% cotton, suitable for use on the course. One Size terry towel with strong absorbency (450 g/m²). The photo shows the looped terry texture and a reinforced header band that aids grip; a metal eyelet and hook are supplied for easy attachment to a golf bag or belt.

Built for practical daily use, the towel features stitched edges and reinforcement around the eyelet to reduce local wear. Care is straightforward—wash as you would similar cotton textiles to preserve performance.

Customisation available from a single item: personalised golf towel for companies, sports clubs, associations and private customers. Techniques offered: embroidery, DTF printing, flex, screen printing, transfer (single-colour and multicolour), embroidered patches, pad printing and digital printing on items. Our design studio can vectorise or retouch your logo.
